

The ESOL Podcast 7 – ESOL and Community Organising – Part 1

The ESOL Podcast 7 – ESOL and Community Organising – Part 1 is the first in our series on Community Organising. Part 1 looks at exploring problems faced by ESOL students.

There are two worksheets available at www.liveworksheets.com. They can be completed online or be downloaded for use in face-to-face classrooms. They include edited audio files from the podcast episode, which can be played through the website.

The worksheets are aimed at around Entry 3.

Worksheet 1

<https://www.liveworksheets.com/jz1566833vi>

This worksheet introduces the students who made the episode. We find out where they are from and some information about their lives.

The second activity introduces community organising, it is a listening comprehension.

The activities can be used in class or as homework activities before a lesson exploring community organising.

Worksheet 2

<https://www.liveworksheets.com/oo1566782mk>

This worksheet looks at vocabulary for the problems that are discussed in the episode and provides an opportunity to look at word families and how different forms of the verb are used in sentences.

This worksheet could be used after a class discussion about problems student face. It provides an opportunity for language focus, which can be followed up with the language that has emerge from class discussion.

The other episode in this series are:
